

## Erratum

# Association of TERT rs2736109 polymorphism with cancer risk: a meta-analysis: Int J Clin Exp Med. 2019; 12(1): 78-85

Tingting Shao<sup>1</sup>, Qin Hu<sup>2</sup>, Jiyuan Ding<sup>1</sup>, Dan Li<sup>1</sup>

<sup>1</sup>Department of Traditional Chinese Comprehensive Medical Oncology, Hangzhou Cancer Hospital, Hangzhou 310003, China; <sup>2</sup>Department of Tuberculosis, Hangzhou Red Cross Hospital, Hangzhou 310003, China

Received April 22, 2019; Accepted July 10, 2019; Epub August 15, 2019; Published August 30, 2019

In this article published in IJCEM0078401, a mistake has been found that the affiliation of Tingting Shao, Jiyuan Ding and Dan Li was wrong: it should be “Department of Traditional Chinese Comprehensive Medical Oncology, Hangzhou Cancer Hospital, Hangzhou 310003, China”, not “Department of Oncology, Hangzhou Red Cross Hospital, Hangzhou 310003, China”. So, we would like to publish this Erratum to reflect this change. The authors express regrets for this mistake.
